Thema B:

Gm Dm Gm A

Dm
You got the tip, from the blood on my lip.
Dm
You gotta a little truth, no way to shake it loose.
A
What can I say.

Dm
She stole my time, and shook my bits.
Dm
Walks in style, with swinging hips.
A
She got it all.

Gm **Dm**
She got it all - with a lot more coming.
Gm **A**
She got it all - it took a whole lot too.

Dm
So she's nobody's fool, and wayout cool,
Dm
no time to lose, mine to choose.
A
What can I say, what can I say...

F **Bbm** **F**
Hey there - she's a whole lot like you.
F **Bbm** **F** **A**
Hey there - she's a whole lot like you.

Thema B: (s.o.)

Dm
She's everybody's dream, and everything it seems.
Dm
With a head on start, she took my heart.
A
And asked for more.

Dm
So she's nobody's fool, and wayout cool,
Dm
No time to choose, and yours to lose.
A
Make my day.

Dm **A**
What can I say - we had a whole lot coming.
Dm **A**
We had it all - it took a whole lot too.

Dm
You got the tip, from the blood on my lip.
Dm
You gotta a little truth, so what...
A
Yes I know it's not funny, it's not funny.

A **Dm** **A**
Hey there - she's a whole lot like you.
A **Dm** **A**
Hey there - she's a whole lot like you.
